

P67 Learner Appeals Procedure

Stage 1

Learner requests informal discussion with their tutor/learning coach to discuss the reason of dissatisfaction. Where the Learner feels based on this discussion that they will seek a formal appeal against an assessment decision, the tutor/learning coach will inform the Learner of the procedure to be adopted.

Stage 2

The Learner must submit a formal written request for re-assessment to the Internal Quality Assurer for the programme. This should clearly indicate the Learner's reasons for making the request.

Stage 3

The Internal Quality Assurer will investigate the evidence presented by the Learner to determine whether to recommend that assessment by another tutor/learning coach should take place. The Internal Quality Assurer will notify the Learner of this decision within 5 working days of receiving the written request. The Learner may at this stage decide whether to proceed with re-assessment.

Stage 4

In arranging for the Learner's work to be re-assessed, the Internal Quality Assurer will arrange for this to be undertaken "blind" by another tutor/learning coach who will not be aware of the previous tutor/learning coaches decision or the specific points which have led to the re-assessment.

Stage 5

The Internal Quality Assurer will review the second assessment decision within 5 working days of the decision being made and, if in agreement with the second tutor/learning coach, they will confirm the result to the Learner. If the Internal Quality Assurer is not in agreement with the second tutor/learning coach's assessment, the evidence and the comments of both tutor/learning coaches and the Internal Quality Assurer shall be passed to the department Curriculum and Quality Manager for a decision.

Stage 6

Where the Learner is still not satisfied with the outcome of the decision, they have the right to submit a re-appeal directly to the Quality Director, their e-mail address will be supplied by the tutor/learning coach on request. At this stage, the Director of Quality may refer the re-appeal to the External Quality Assurer.

BCS learners have the right to appeal to BCS within 20 days of the assessment if unhappy with the outcome of the appeal.

Learner's will be kept informed at each stage of the progress of their appeal.

Awarding bodies are required to publish information on its appeals arrangements on their website. Learners have the right to go directly to the awarding body or the regulator if they are still dissatisfied. For example, Highfield learners can appeal directly with them.

I have read and understand the appeals procedure above:
